

RFQ Engineering Consultants

Please note that this is a request for proposal. No elaborate special presentation brochures are expected at this time. Please limit to twenty-five (25) pages, not including resumes. An evaluation of qualified firms will be undertaken following receipt of submittals (by December 10, 2020 at 4:00 p.m. CDST.) Interviews may be required. It is in the intent of the Kankakee Valley Airport Authority to enter into a retainer contract with a consultant for purpose of project Runway 16 end obstruction to be removed. If you have any questions you may call Jeff Benoit, Airport Manager at 815-939-1422.
